

LABOR SECTION OF TREATY NEXT

Several Senators Ready to
Attack the International
Labor Organization

COMMITTEE PROPOS- ALS ALL DISPOSED OF

German Treaty Is, Textu-
ally, Just Where It
Was on July 10

Washington, D. C., Oct. 30.—With the long list of committee amendments to the peace treaty finally disposed of, the Senate today lined up for the next big fight of the treaty controversy, which is to center around an effort to strike out the provision for an international labor organization.

The labor section was not touched upon in the rejected committee amendment program, but several senators were ready today to put up a stubborn fight on the floor against it. An attempt to strike it out was made in the committee in August by Senator Fall, Republican, New Mexico, but later was withdrawn.

Textually the treaty today was just where it was when it was laid before the Senate on July 10, the last of the amendments attached by the foreign relations committee after weeks of deliberation having been thrown out by the Senate yesterday.

MOSES AMENDMENT TO TREATY DEFEATED

The Vote Was 36 to 47—Three Demo-
crats, Including Walsh of Massa-
chusetts, Favored the Amend-
ment.

Washington, D. C., Oct. 30.—The Moses amendment to the peace treaty, last of those proposed by the foreign relations committee, was rejected yesterday by the Senate. Like the Johnson amendment defeated last Monday, it dealt with voting power in the league of nations.

In preparation for a vote on the Moses amendment the Senate voted down, 31 to 49, a substitute proposed by Senator Shields, Democrat, Tennessee, under which the British dominions would vote collectively and have one vote in the league.

The vote on the Moses amendment was 36 to 47. Of those supporting the Moses amendment, three were Democrats—Gore, Shields and Walsh, Massachusetts, and nine Republicans—Cott, Edge, Hale, Kellogg, Keyes, Lenroot, McNary, Nelson and Sterling—voted with the Democrats in opposition.

By a vote of 57 to 27 the Senate laid on the table an amendment by Senator Sherman, Republican, Illinois, that a reference to the Deily be written in the preamble of the peace treaty.

STEEL STRIKERS EXPECT HELP

If the Soft Coal Miners
Should Go Out on Strike
on Saturday

UNION HEADS DENY PLANTS NORMAL

Fitzpatrick Says Arbitra-
tion Is "Fine" for Coal
Industry, Not for Steel

Pittsburgh, Oct. 30.—A statement by John Fitzpatrick, chairman of the national strike committee, as to the effect of the threatened bituminous coal strike upon the steel strike and labor in general issued at strike headquarters here today, said:

"If the coal strike comes, it will add strength to the steel strike and to the position of labor throughout the country. It will mean labor has accepted the challenge of the big group of employers who profited during the war, and who still are profiteers."

"They have a grip on the throat of the public and the government. They have defied labor, the public and the government. They have refused to deal with labor in the steel industry because they have hopes there that they can defeat organized labor. But in the coal industry they are hopeless of defeating the older, better tried organization. So they get the government to try to force the coal miners to arbitrate."

"Arbitration is no good in the steel industry, but it's fine for the coal industry."

"If the miners strike, a tremendous power is added to the labor forces struggling to loosen the grip of ruthless profiteers on labor and the public."

According to latest reports from union headquarters, the strikers of the Pittsburgh district were standing firm and steel production was far below normal. Company representatives denied that such conditions prevailed and said the mills were operating and gaining in man power daily.

A Working Girl's Life.

Day in, and day out, month after month, she toils. Often she is the breadwinner of the family and must work that others may live. Rain or shine, warm or cold, she must be at her place of employment on time. A great majority of such girls are on their feet from morning until night, and symptoms of female troubles are early manifested by weak and aching backs, dragging-down pains, headaches and nervousness. Such girls are asked to try that most successful of all remedies for women's ills: Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been given girls strength to do their work.—Adv.

AMERICAN ACCUSED OF GREAT THEFT

Leander Buttik Is Charged with Steal-
ing Hungarian Royal Jewels, Val-
ued at Millions of Marks.

Geneva, Oct. 29.—The Budapest report to be an American citizen and a friend of Bela Kun, charged with the theft of the Hungarian royal jewels valued at millions of marks, according to a Prague dispatch. Buttik is said to have told the police that he had been commissioned by Bela Kun to sell the jewels in the United States and to accept nothing but gold in payment for them. Most of the jewels, which included a priceless crown, have been recovered.

It is learned here that the Austrians are closely guarding Bela Kun, whose extradition and trial are considered assured.

GOOD-BYE, WEAK NERVES!

"Nothing wrong but my nerves." We hear it everywhere. Nervousness is a disease. A man or woman might better have a broken arm or leg than a shattered, rundown, nervous system. Overwork and worry drains the nerve cells of all their strength and vitality; then come the sleepless nights, poor blood, nervousness, worry, and fear, that go with a rundown nervous system.

In cases of this kind, Phosphated Iron rarely fails to strengthen and build up the phosphate-hungry nerve centers. It takes hold right from the start.

The way the majority of people "come back" is remarkable. You can almost see their nerves grow strong, steady and peaceful. Their eyes sparkle, their cheeks are filled out, and flushed with the healthy, ruddy glow that only pure, red, ironized blood can give, and their whole system is alive with youth, energy and good spirits.

Phosphated Iron will do all this for old or young if they will give it a chance. Get a box to-day and watch it build you up.

Ask for Phosphated Iron Capsules. Be sure you get capsules. For sale by E. A. Drown, the Druggist; and leading druggists everywhere.—Adv.

BLISS NATIVE HERB TABLETS

WHAT IS DEMOCRACY?

Barre School Girl Makes Definition of the Meaning.

Every day, as we come into contact with people of the outside world, one quality seldom evades our attention. We ask ourselves the question, "Is he democratic?" And then we reflect on the ideals a truly democratic person must possess. Think of those most closely associated with us. There is the prosperous citizen, who goes calmly about his business; there is the snob, the indifferent participant in life, and, last, the tyrant.

To the last classification belong a majority. Perhaps they are not justifiably associated with the word. The numerous acts they compel others to perform, reflect back to them, eventually causing their downfall, let alone ever increasing unpopularity. In the early days of the Roman empire, we see how the tyrannical rulers failed, while those who used tact and firmness were more famous and accomplished more towards a democratic spirit among their subjects. Able to profit by the mistakes of the predecessors, they organized a more responsible and contented class of citizens.

It is thus in every phase of life. The most broad-minded, intelligent citizen is the one who, during his childhood, was allowed to express his ideas. A great many of our present day citizens are not adequately prepared to fulfill the office of responsibility which they hold. Children raised by tyrannical parents follow in their footsteps, making undesirable citizens.

Democracy must apply to more than politics. It must be a live wire in the home, the church, the business and the school. Especially in our school life we must be instructed in a peaceful, tolerant and untrammelled manner. Democracy fosters the law of the individual, the spirit of human equality and the basis of efficient and co-operative citizenship.

CHILD LABOR PROBLEMS ARE UPPERMOST

Working Women's Conference at Wash-
ington Will Consider Them Chiefly
—They Hear Sec. Baker
To-day.

Washington, D. C., Oct. 30.—Pausing in their consideration of the question of child labor legislation, one of the main subjects before the International Congress of Working Women in session here, the delegates heard to-day an address by Secretary Baker. Later in the day they were invited to take tea at the residence of Mrs. Josephus Daniels, wife of the secretary of the navy.

The child labor question is to be kept before the women's congress until a definite plan is adopted looking toward uniform action on the subject among the nations of the world. In their fight for the betterment of the childhood of the world, the women plan to solicit the aid of the International Labor conference also meeting here.

PASSED WORTHLESS CHECK.

Got Good Breakfast and \$21 in Good Money.

Brattleboro, Oct. 30.—Manager George E. Sherman of the Brooks house is interested to know the identity of a man who registered at the hotel for breakfast one day this week as "W. Mills" and received a hearty meal and \$21 in good money in exchange for a worthless check for \$22.

The check appeared to be all right and was drawn on the Bellows Falls Trust Co., issued by George B. Albee & Co. of Bellows Falls and endorsed by Albee & Co. Later it was discovered that "Mills" did not endorse his own name on the check, and the clerk looked at "Mills" name on the register and found it to be written apparently by the same person who wrote Albee & Co.'s endorsement on the check.

A Bellows Falls business man acquainted with Albee & Co. happened to be in the hotel, and he said immediately that the check was forged. His opinion was confirmed by telephone with Albee & Co., and the check has been sent to that firm for examination.

"Mills" is described as being short, weighing about 170 pounds and having a smooth face and prominent nose. Mr. Sherman is confident that the man will be taken into custody.

The auditorium of the Baptist church in Essex Center is to be used as a Community house.

'RHEUMATIC KINKS' GO

At last a real does-what-it-says rheumatic remedy, nothing like it was ever before known and that is no joke.

Every man and woman, who has rheumatism, gout or neuralgia, ought to try "Neutrone Prescription 99" at once and see how marvelously it works. Cut out those fiery liniments and dirty salves, use a good clean internal remedy. "Neutrone Prescription 99" is remarkable because it purifies the blood, assists in nature's way, gives you what you need to fight off rheumatic poisons, a good, clean, healthy system.

It's not one of those temporary relief affairs, good only while using, it is lasting. Get a bottle to-day and your rheumatic days are over, no more inflamed, stiff aching joints and muscles; can you imagine it, well, it's all true. For sale by E. A. Drown, the Druggist; and leading druggists everywhere.—Adv.

Pile Sufferers! Clever Ohio Chemist Says This Great Prescription Taken Internally Has Never Failed

Even chronic cases of 20 to 30 years standing, with profuse bleeding, have been completely cured in from three to ten days.

No discovery of recent years in the field of medicine has caused such a stir amongst the medical profession as the recent discovery that piles can be successfully treated and cured at home by a successful prescription known to druggists as Miro Pile Remedy.

It has been proved that so-called external remedies applied or inserted into the rectum cannot cure piles and at the best only give temporary relief. This is also true of surgical operations, which simply remove the piles, but do not remove the cause of the trouble.

This prescription, although taken internally, is not digested in the stomach, but is rapidly passed on unchanged to the intes-

tines in a short time, reaching the exact place where by its soothing, healing action, it first allays all inflammation and then by direct contact with all ulcers and piles, causes them to heal and disappear forever.

It's positively marvelous how speedily it acts. Blessed relief often comes in two or three days at most, even in cases with profuse bleeding that have resisted all known treatments and operation, really wonderful results have been accomplished.

The author of this amazing discovery desires all sufferers to know that he does not want a cent of anyone's money unless Miro Pile Remedy decides to cure them in the worst cases, and he has instructed the Red Cross Pharmacy and druggists all over the country to guarantee it in every case of blind, bleeding or protruding piles.

IMPORTANT—What is known as itching piles, or not piles in the true sense of the word, although this condition may accompany a true case of piles. For this condition Miro Pile Ointment has been prepared, as in such cases it is not necessary to take the internal prescription.—Adv.
